ENDURING UNDERSTANDING	
BENCHMARK(S)	<p>MU.912.O.3.2 - Interpret and perform expressive elements indicated by the musical score and/or conductor.</p> <p>MU.912.S.2.1- Apply the ability to memorize and internalize musical structure, accurate and expressive details, and processing skills to the creation or performance of music literature.</p> <p>MU.912.S.3.1 - Synthesize a broad range of musical skills by performing a varied repertoire with expression, appropriate stylistic interpretation, technical accuracy, and kinesthetic energy.</p>
BENCHMARK CLARIFICATION	<p>Perform and video record one vocal solo self-selected from a limited pool (5-6) of English, Liturgical Latin, French, German, or Spanish options. Songs will be performed by memory <i>with</i> limited pre-recorded accompaniment. In order to be judged correct, notes and rhythms must be performed exactly as printed, in the indicated octave. Performances must be free from any non-indicated embellishments or ornaments (i.e., pop scooping or R&amp;B improvisation).</p> <p>Scores and accompaniment practice tracks must be provided to students and teachers in advance. Students should have approximately one week to prepare, but no more than three. Students <i>may</i> enlist the assistance of their teacher or other classroom support faculty (such as an accompanist). Recordings may not be re-attempted, except in the case of mechanical malfunction or disruption of the testing environment.</p> <p>For acappella selections, a tonic chord, scale, and tonic chord again must be provided for each student, followed by a voiced count-off (“one-two-three-four” OR “one-two-ready-sing”) of no fewer than 2 pulses. Students must find their starting pitch from the final chord. Tempo, once established, should be steadily maintained throughout unless otherwise indicated.</p>
ITEM TYPES	Prepared vocal performance
CONTENT LIMITS	<ul style="list-style-type: none"> <li>• Songs should be of a difficulty level that is equivalent to choral literature typically found in a Chorus 4 class, giving age-appropriate consideration to range, intervallic leaps, registration shifts, and average agility.</li> <li>• Songs should be in the style of an art song, or newly composed. Text should be limited to Italian, French, German, or Spanish. IPA phonetic translations should be available.</li> <li>• Songs should be predominantly tonal. Limit tonalities to: harmonic minor, natural minor, Dorian, or Mixolydian modes. (Major tonality is not an option.)</li> <li>• Between 2-6 accidentals are required. For harmonic minor, the lowered 6<sup>th</sup> degree should be indicated by the key signature, and the raised 7<sup>th</sup> should be indicated with an accidental. For Dorian and Mixolydian, the key signature should reflect that of the modal tonic, not the major tonic. (e.g., D dorian should be in the key of C</li> </ul>

CONTEXTS (Student's Role)	Performer
DEPTH OF KNOWLEDGE	2
STIMULUS ATTRIBUTES	<p><b><u>Printed scores:</u></b></p> <p>At least 4 different transpositions <b>MUST</b> be provided for each solo option, labeled as <b>Part A, Part B, Part C, and Part D</b>. (Do not use traditional Soprano, Alto, Tenor, Bass to avoid confusion with unchanged male voices.) If performing with accompaniment, the piano part (including introduction) must also be shown.</p> <p>Ranges should be age-appropriate for a typical Chorus 4 student.</p> <p>Scores must display both a tempo and metronome mark indicating the most relevant metrical pulse. All non-rest breathing points should be clearly indicated using <i>luftpauses</i> or dotted slurs. (Solid slurs should be reserved to indicate legato.) PHYSICAL ENVIRONMENT /EQUIPMENT  
(e.g., Microphone, Stand):

Studio with digital recording of accompaniment. Need a facilitator to manage the digital recording.  
Video recording device needs a facilitator. The student's entire person needs to be seen in the video.  
The audio balance on the video recording needs to favor the performer, rather than the accompaniment.  
Accompaniment tracks need to be transposable.

### Testing Procedures

All available recorded accompaniment practice tracks and printed scores must be made available at least 3 weeks before the test date to allow ample time for selection and preparation. All practice instructions should be provided on prerecorded or downloadable media files. Students should be able to select and prepare a piece from a pool of selections, and should be able to determine the transposition (A, B, C, or D) that best suits them: teachers should not determine the transposition, although they can assist in the selection.
